

The Troop has elected to attend the sunny, dry mountain hideaway of Camp Ottari the week of 20 June to 26 June 2010. Camp Staff has guaranteed that there will be no RAIN - really - unless the Almighty deems otherwise of course!

Please, Please, Please tour the Camp Powhatan Website to get a feel for this Scout Reservation. <http://www.bsa-brmc.org/camp.htm> The site provides an overview of each of the camps available to us this year!

Camp Ottari requires initial \$50 deposits for anyone wishing to attend. We need them by 21 January with payments to follow in April and June - just like last year.

Costs:

COSTS		
Camp	Scout Costs	Adult Costs
Camp Ottari	\$310	\$160
Mountain Man	\$350	\$310
Claytor Lake	\$350	\$310
High Knoll	\$340	\$290

Please note that all costs have risen approximately \$10-15 per scout. The Troop has added an additional fee of \$40 per Scout to cover transportation and troop costs at Camp.

(Please note we included similar fees last year - which still fell short of actual expenses but the Troop, as it will this year - picked up the difference.)

We'll need your \$50 down payment, [thru check or Scout Account] NO LATER THAN 21 January, 2010!

We'll have the main Troop at Base Camp, of course. High Adventure selections are Mountain Man, Claytor Lake and High Knoll are also open to the Scouts (not newly crossed over Scouts). Remember, Scouts can only earn those fabulous merit badges at Base Camp!

And as always - Adult Leaders are very much needed at Camp. We look forward to your participation in this very meaningful event in the life of these young men!
